AMEND Senate Bill No. 3103*

House Bill No. 3198

By adding the following language as a new subsection (b) to the amendatory language of Section 2 and by redesignating subsection (b) of the printed bill as subsection (c):

(b)(1) In addition to the requirements of subsection (a), the registry shall also make available online to the public through the internet the contribution information in statements for an election held in 2002 and thereafter, or addenda or amendment to such statements, filed by any:

(A)(i) candidate for a non-judicial county office filled by all the voters of such county; or

(ii) political campaign committee of such candidate; and

(B)(i) candidate for a municipal office filled by all the voters of such municipality in those municipalities which have a population equal to or greater than the ideal population for a senate district; or

(ii) political campaign committee of such candidate.

As used in this subsection "ideal population" means the total population for Tennessee according to the most recent federal census of population divided by the number of senate districts.

(2) The provisions of subdivision (1) do not apply if the county or municipality has made such contribution information available online through the internet to persons residing in the county or municipality, as appropriate.

(3) The contribution information filed with the county election commission of the county where the election is held by those candidates or political campaign committees identified in subdivision (1) shall be forwarded to the registry in such manner and at such
